

I feel it is imperative that you NOT change the current ownership policy for media ownership. I am completely opposed to this measure. Debate, dialogue, discussion and diversity are the foundations of our democracy, and the source of our strength as a nation. It is imperative our media remain diverse as well. I want rules in place that serve the public, rather than private, interest. I oppose taking a vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules.
